

August 2009

Dear Parents:

Let me introduce you to our GIFT Campaign. This annual giving initiative is a member-led way of supporting local girl scouting and showing the community that we value the life skills that Girl Scouts give our daughters. If possible, please view this video which explains our mission and objectives <http://www.girlscoutsesc.org/donate/adgiving.aspx>.

Your daughter will receive an envelope from the Service Area or Troop Adult Giving Volunteer (TAGL). Hopefully, you will be willing and able to help us with a donation. No gift is too small! Even if you can't make a donation, please return the envelope, sealed to the TAGL. Our goal is to get 100% of the envelopes returned. They will not be opened by the troop leader, so your participation is confidential.

Thank you for your help. This is a great way for you to show support for your daughter and her leader as they embark on an adventure of Girl Scouting.

Sincerely,

Ruth Metzger
Board Chair and Chair of Annual Giving
