- **Jewelry Basics:** In this class, girls would learn about tools, findings and basic jewelry design. They will make a bracelet and a pair of earrings in the class and receive a bead board and a Basics booklet.
- **Recycle, Reuse, Reclaim and Make a Bracelet and a Mobile:** Girls will make a mobile using old CD/DVD discs and a bracelet with a button clasp. Discussion about other ways of using reclaimed items will also be a part of the class.
- **Necklace of the Earth:** Girls will use natural materials to design and construct a necklace. They will use gemstones, shells and pearls to create their design. Discussion about gems and how they are processed and made into beads, as well as their physical properties will also be included.

The Jewelry Basics, Recycle Class and Necklace of the Earth are designed to help fulfill badge requirements. Beaded Venus can also custom design classes to fit a troop's needs.
