

# Older Girl Planning Board – Request for Nominations

Girl Scouts of Eastern South Carolina is looking for exceptional Girl Scouts in 8<sup>th</sup> grade or above to participate on our Older Girl Planning Board. The Older Girl Planning Board will lead the way in helping our council better serve Girl Scout Cadettes, Seniors and Ambassadors. We are asking this group of girls to share with us what matters to them, what interests them, and how they want to be involved in Girl Scouts. We are looking for nominations from every Service Area within our council. Our goal is to have at least one girl from every Service Area be a part of the Older Girl Planning Board. When considering a girl for nomination please keep in mind the criteria we are asking members of the group to fulfill:

1. Able to travel within our council’s jurisdiction. We will have monthly or bi-monthly meetings which girls will be required to attend.
2. Active in Girl Scouts. Girls do not need to have been in Girl Scouts for a long time, but active in the program.
3. Works well with other girls and adults. These girls will work closely together on multiple tasks and may be broken into subcommittees.

If you know a girl who you feel will be an asset to this group, please fill out the short nomination form and submit it to:
