

2022 Annual Meeting & Adult Recognitions

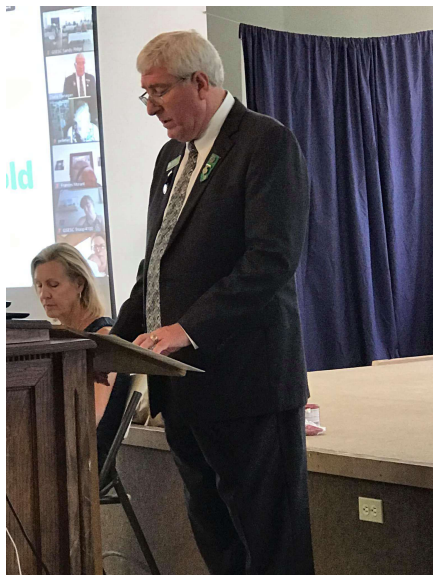

April 30, 2022 is our next Annual Meeting/Adult Recognitions!

It needs a home! Here's an opportunity for your Service Unit to shine by assisting us in hosting this great event for the entire council.

As host your responsibilities will be to

- Secure a venue (with the capacity to hold 50-75 attendees)
- Choose a theme and decorate for the meeting
- Plan the luncheon menu
- Provide a flag ceremony
- Promote event to help make quorum

Council staff will provide all the support you need to make this the greatest Annual Meeting ever! If your Service Unit is interested, the first step is to form a committee and put together a proposal. The Council Board of Directors will make the final selection and announce the winner this coming September.

Complete the proposal online form
