Dear GSESC Supporters and Community Partners,

The CEO Search Committee is pleased to share the exciting news that Amanda Wagner has been selected as the new CEO of Girl Scouts of Eastern South Carolina, effective November 9, 2026.

Following a thorough search and selection process, the CEO Search Committee and GSESC Board has selected Amanda to lead our Council into its next chapter. I want to thank the Committee and the Board for its thoughtful consideration, time, and dedication throughout this important process.

Amanda brings more than 15 years of nonprofit and executive leadership experience, with a strong background in youth development, strategic planning, financial stewardship, team development, and community partnerships. Her previous leadership roles include serving as Vice President of Operations for Equus Workforce Solutions, Chief Operating Officer of Employ Prince George's and Senior Operations Director at Eckerd Connects, where she led programs supporting children, youth, and families across multiple states, including South Carolina. In addition, Amanda earned a Masters degree in Youth Development and Leadership from Clemson University and a Bachelor's degree in Communications from Southern New Hampshire University.

Amanda has a strong understanding of our region and a passion for expanding opportunities for young people. Her experience, collaborative leadership style, and commitment to mission-driven work will be valuable assets as we continue to strengthen our Council and advance our mission of building girls of courage, confidence, and character who make the world a better place.

Amanda and her family live in Daniel Island, SC, where she is active in the Daniel Island Rotary Club. She also serves on the CAEL Advisory Council (Council for Adult and Experiential Learning) and was co-Chair of the Trident United Way, Women United.

Please join us in welcoming Amanda to Girl Scouts of Eastern South Carolina. We look forward to the future of our Council under her leadership and thank you for your continued support of Girl Scouts and the girls we serve.

Sincerely,

Courtney Cavatoni
