Girl Scouts of Eastern South Carolina serves girls and adults in 21 counties: Allendale, Bamberg, Barnwell, Beaufort, Berkeley, Calhoun, Charleston, Chesterfield, Clarendon, Colleton, Darlington, Dillon, Dorchester, Florence, Georgetown, Horry, Lee, Marion, Marlboro, Orangeburg and Williamsburg. These 21 counties are divided into Service Areas to serve our membership and community.

Girl Scouts of Eastern South Carolina offers girls the opportunity to enjoy fun, life-changing experiences they might not otherwise have. They are encouraged to stretch their limits and gain courage and confidence in an all-girl, girl led supportive environment. Their experiences can be anything from day camp, resident camp in the summer, building business skills while selling cookies, learning horseback riding, cooking and traveling. Last year top cookie sellers went on a 7-day cruise, a 5-day crusie, and attended a showing of the Lion King on Broadway! Girl Scouts builds girls of courage, confidence and character who make the world a better place.

Girl Scouts range in age from K5 to Grade 12. They have experiences that are grade level and age appropriate that are both educational and fun.

In Girl Scouts, girls discover the fun, friendship and power of girls together. Through the many enriching experiences provided by Girl Scouting, they grow courageous and strong.

Confirmation Packets

Confirmation packets will be e-mailed to the e-mail address provided after you register. Please make sure to check your SPAM/JUNK mailbox. The packet will include all necessary forms, check-in and check-out procedures, a packing list, and any additional information that your camper needs. Please follow the directions in the packet concerning what forms to bring with you to check-in.

If you do not receive a confirmation packet, please e-mail Sandyridge@girlscoutscsc.org.

Camp Staff

Camp staff is a main factor in providing a happy and rewarding experience for your camper.

The staff selection process includes a background check, extensive screening, and an interview with each staff member. They are selected based on experience, maturity, judgement, and a desire to share their enthusiasm and skills with children. All staff members participate in an intensive onsite training program prior to camp and ongoing evaluations throughout the summer. The Camp Director and Assistant Camp Director are highly trained and are specialized in their fields. All staff members are dedicated to making resident camp a positive, unique, and memorable experience for your camper.

Cell Phones at Camp

Cell phones will be allowed for girls to bring to camp. They will be kept with the counselors in a lock box. Campers will be permitted to use their phones and call home during rest hour each day from 12:30pm - 1:30pm. Sundays and Thursdays are opening and closing campfires and may run late into the evening; campers will not be permitted to use their cell phones on these nights. Phones will not be allowed in restrooms or cabins. If a girl does not have a cell phone, they will be allowed to use the camp office phone.

As always, we like the girls to disconnect while at camp, but we understand the need to speak to your child daily. We hope this will alleviate some stress and make for a better camp experience for everyone.

Please remember that sometimes talking to family members while at camp may increase missing home and could cause more issues with her stay at camp.

Any inappropriate phone usage (bullying, inappropriate pictures or websites, etc) the phone will be confiscated and returned in their check-out folders.

Please speak with your camper prior to coming to camp about this.

Sandy Ridge Camp

Information:

Lost & Found

Please be sure to check the lost and found table during Check-Out. Each day during lunchtime lost items are displayed so that campers can retrieve their items before the end of the week. Items left behind will be sent to the North Charleston office at the end of the camp season. If not claimed, items will be donated to charity on September 30, 2026. Pick-up of lost items is required as GSESC will not mail lost items to their owners. To help prevent items being lost at camp, label items with your camper's first and last name

Camp Names

Ever wonder why the camp staff have unique nicknames? The relationship between campers and camp staff is unlike any other. Calling staff "Ms./Mr." is too formal for the camp setting, and calling counselors by their first name is too familiar. Camp Names have become a great way to handle the 'what to call them' dilemma and have become a time-honored tradition. Camp staff choose a name that reminds them of things they like, or places they're from, or sometimes just use a nickname from their own childhood. At camp you can meet a Squirrel, River, or Flower!

Camper Behavior

Everyone is expected to live by the Girl Scout Promise and Law while at camp. The camp staff will do everything possible to help girls adjust to camp life. GSESC reserves the right to send home from camp any camper who consistently exhibits unsuitable behavior or endangers themselves or the camp community, or whose actions toward others are unacceptable. In this case, the camper's parents/ guardians are responsible for picking her up in a timely manner. There will be no refund or adjustment for camp fees.

Information:

Missing Home

We prefer the term missing home to the old phrase 'homesickness' because there is nothing wrong with a camper missing home. It's a natural feeling. They aren't 'sick' - missing home is the natural result of separating from home and loved ones. Almost all children (and grown-ups!) feel homesick when they're away from home. People's feelings vary in intensity and camp staff is prepared to handle this.

Surprisingly, research shows that some factors have nothing to do with the intensity of missing home, including geographic distance between home and camp and the presence of a friend from home at camp. Often, missing home is not problematic. When the feelings of sadness and anxiety associated with missing home become so strong that making friends, having fun, sleeping, eating, and participating in activities is difficult, we will act. Please note, if campers are missing home, they will not be allowed to call home. A member of camp's core team will phone the parent/guardian if necessary. The best remedy for missing home is a partnership between families and camp staff.
