50+ Packages sold through
Cookies For A Cause

Once Girl Scout reaches
500+ packages, she will
receive a 2024 patch & the
highest level bar that she
achieved.

- All rewards are cumulative with the exception of achievement bars.
- 2024 cookie rewards are earned and chosen by each individual girl by selling via order card, booth sales, online girl delivery, and cookies for a cause. Troops earn \$.85 per package.
- Colors and product availability may vary.
- If item shown is not available, we will substitute a like item.
- Reward of resident camp is equal to the amount of a \$350 camp. If Girl Scout chooses to do a camp over that amount she must pay the difference.
- Day camp is valued at \$250 for those Girl Scouts that are not ready for resident camp. There will be no extra value awarded or credited

GSESC Current-Sea may be selected in place of reward. Current-Sea may be used at any GSESC shop, GSESC hosted/sponsored events, and summer camps (resident camp, day camps, TAC, trading post) OR may be reimbursed for Girl Scout programmatic events or supplies.
